|----------------------------|------------------|
|                            | 2021-22          |
| Salaries 5 months for PA-1 | 1,92,200         |
| Equipment                  | 0                |
| Travel                     | 0                |
| Contingency                | 50,000           |
| Consumables                | 1,50,000         |
| Sub Total                  | 3,92,200         |
| Overheads (15%)            | 58,830           |
| <b>Total</b>               | <b>4,51,030</b>  |

Please find enclosed herewith guidelines (Annexure I) for the STC sponsored projects. We look forward to receiving the final technical report of the project together with the annual progress report for the period 01.04.2021 to 31.03.2022 by 30.04.2022. The reports need to be forwarded to ISRO HQ and their formats are enclosed with this letter.

Yours Sincerely,

*Ashwini Ratnoo*
